WOAC SHOOTING SHIRTS

Dear Archer,

We have been working hard with Lionhart to create a Custom Design Archery Shirt. These new shirts will be available alongside our current shirts and merchandise from B-BE Clothing.

The Lionhart shooting shirts are dye sublimation printed and are made from Coolmax 165gm polyester, moisture management waffle texture fabric, they have full wide V-Mesh side panels that extend into the sleeves, this shirt is comfortable to wear in hot weather allowing moisture to wick off the skin and pass through the fabric.

There is an Option to have your Surname on the back of the shirt and a "Name" on the front of the shirt, opposite side to the logo. This is all included in the cost of the shirts.

The Lionhart shirts will cost £37 and the club will order these when we have a minimum of 10 shirt orders to keep the shipping costs to a minimum.

The shirts are available in a range of sizes from **XXS** to **5XL** as well as kids sizes. The shirts are **UNISEX** and supplied in three fitting styles:

- **STRAIGHT** (best suited for plus size or children)
- **HALF-TIGHT** (athletic body type)
- **TIGHT** (more feminine with a defined waist line)

The shirts are **40mm longer** than the average shirt, as we shoot with our arms raised.

The shirt measurements differ from typical UK sizing as there are small increments between sizes.

Please **DO NOT** simply order according to your usual size (S, M, L etc) as shirts are sold by **GARMENT SIZE**.

To ensure the best possible fit it is strongly advised that archers measure a shirt they are comfortable shooting in and compare that to the chart and only then select the designation. If in doubt, go one size larger.

See the Sizing Guide below.

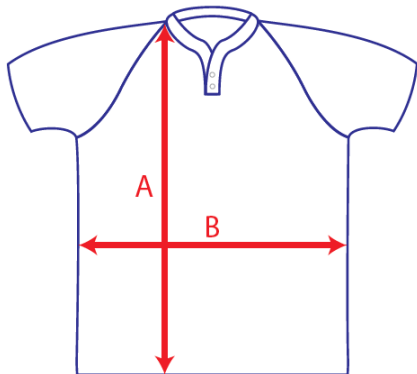

Payments should be made by BACS to Wellingborough Open Archery Club.
